

Talking to elders?

Here are a few tips →

**Face towards them
while you speak**

**Use simple sentences
while sharing information**

**Encourage the use of
hearing aids or glasses**

**Approach the person
from the front and speak
into their good ear**

Allow plenty of time for them to respond

Ask open-ended questions and genuinely listen

**Monitor and control your
non-verbal behaviour**

**Reduce visual distractions
& background noise**

Ensure the health of your employees' elders with **Wellbeing On the Web**
